ZONING PERMIT - GENERAL INFORMATION FOR FENCES

- Fences require Zoning permits only except if enclosing a pool or hot tub
- If the fence encloses a pool or hot tub, it requires a UCC building permit
- Solid fence shall not exceed five feet above the ground
- Three-quarter open fence shall not exceed six feet above the ground
- Combination of solid and three-quarter fence shall not exceed six feet above the ground and shall have at least the top one foot of the fence open
- Any fence considered to have a face or front side shall be erected so that such face or front side is placed outward from the area being enclosed
