Hi Meg,

Thanks Meg. I already sent out the newspaper ad info.

\$ Newspaper
RECEIPT

Also, I will be dropping off 20 copies of the signed and sealed architectural and site plan. I made the following changes

1. We eliminated the bathroom in the back of the garage and converted the entire space into storage, therefor we will not have a new sewer line going into the street;
2. We will be relocating the bushes to the other side of the new driveway; and
3. We will be routing the fence in a way that we will not be removing any trees
