## TREE CONTRACTOR APPLICATION

(Information required per Ordinance 07-10)

A business doing tree care in New Jersey must be approved by the New Jersey Board of Tree Experts and be registered. The registration of the tree care business involves the company demonstrating that it has the required level of insurance and worker compensation coverage found in the administrative rules. The registered business must have at least one licensed person employed. A registered business must abide by adopted industry standards and provide safety training for employees and submit safety documentation annually to the New Jersey Board of Tree Experts. A tree care business must display their certificate of registration in their place of business and must prominently display their registration NJTC number on every service vehicle operated to perform tree care services in New Jersey.
